Join us for #GivingTuesday on November 28!

November 2, 2017

Dear Nickname:

Hundreds of thousands of people came together last year after Black Friday and Cyber Monday to raise millions for organizations close to their hearts. This day, better known as **#GivingTuesday**, celebrates charitable giving to nonprofit organizations in your local community.

We are quickly approaching this year's #GivingTuesday and need your help. You will receive an email from us on November 28 asking you to take part in this special day.

To participate, [like us on Facebook](#), make a gift to your local hospital, and encourage your neighbors, friends, and family to give. You can learn more about the movement by visiting www.givingtuesday.org.

Your gift, no matter the size, truly makes a difference in the lives of the patients we serve. We hope you will join us for this worldwide day of giving back!

Sincerely,

Des Worthington
