It's not too late to make a difference.

November 28, 2017

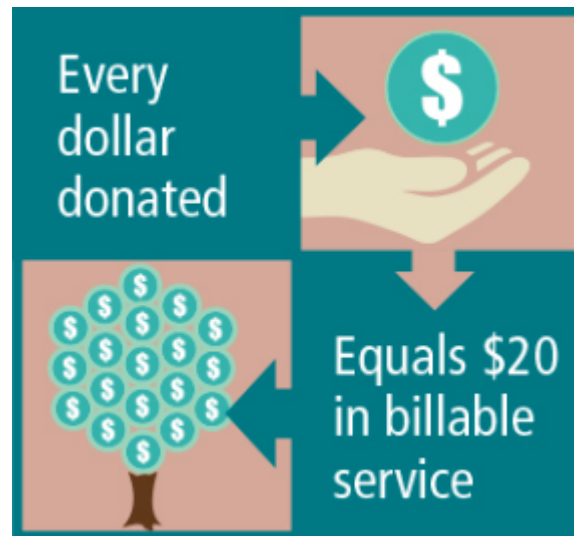

Dear Nickname:

We are now halfway through #GivingTuesday and well on our way to reaching this year's goal.

Did you know that our Munson Healthcare hospitals provide more than \$60 million annually in health care programs, services and community education? Without philanthropic support, many of these programs wouldn't exist.

Help us continue this tradition of improving our hospital by making a gift and your contribution will be **double-matched**. For every dollar you give, an additional \$2 will be contributed to the fund of your choice!

You can sign up for payroll deduction or make a one-time gift via credit card. Then, like us on Facebook and share why you're supporting our hospitals and the patients we serve.

[Donate Now](#)

[Spread the Word](#)

If you are currently enrolled in payroll deduction and would like to make a one-time gift for #GivingTuesday, it will be in addition to your existing payroll deductions. Please call me at ext. 5-7668 with questions.

Your gift sends a strong message to community members about employee dedication and the care our patients receive.

Sincerely,

Debra Henderson
Munson Medical Center

Inspiring charitable support to enhance health care for the people of northern Michigan.
